

# INTERIOR DESIGNERS HAVE TRUSTED FIBER-SEAL FOR OVER FORTY YEARS

## FIBER-SEAL IS THE PREMIER NAME IN FABRIC PROTECTION

Since 1971 we have been providing a family of products that can be used on all soft surfaces such as Oriental rugs, carpeting, upholstery, wall coverings, draperies, bedding and panel systems—including the most luxurious silks, wools, leather and more. We are experts in the care of furnishings for the finest homes, corporate offices, private clubs, medical facilities, hotels, yachts, jets and other specialty interiors. We understand that when you've created a first class space, you want it to stay that way. With the Fiber-Seal Fabric Care System, your work will look newer longer—increasing compliments and referrals!

### **Our Protection Products Are Eco-Responsible**

We consider product safety a top priority. All of our products meet current federal and state air quality requirements and current industry standards.

### **Prestige Program And Commercial Service Plans**

For homes that are larger and need more specialized care, we offer affordable, customized maintenance plans. These include treatment, assistance for emergencies, and customized, regularly scheduled cleaning and spotting visits. We also have commercial service plans for facilities that deserve an upgrade from standard janitorial care.

## DESIGNERS WORK WITH US IN THREE SIMPLE STEPS

### **Meet With A Fabric Care Consultant**

An experienced consultant will explain how the Fiber-Seal Fabric Care System benefits you and your clients.

### **Tell Your Clients About Fiber-Seal**

Mention fabric care early in the project so you can have more confidence in your fabric selections.

### **Call Us With The Client's Name**

We'll do the rest. We visit the client's home or office and offer an affordable estimate—all in a low key, no pressure style.

## WE ARE YOUR LOCAL RESOURCE FOR QUESTIONS ABOUT:

### **Fabric Selection**

We test fabrics for colorfastness and cleanability, making the selection process more risk-free for you.

### **Cleaning and Spotting**

We are a reliable resource for spot cleaning as well as overall cleaning of fine fabrics and flooring.

### **Soft Surface Information**

Our website and other regular publications help keep designers up-to-date on the latest fabric and carpet developments as well as other design industry news.
